Research & Development

Technology & Expertise

- Equipped with modern testing laboratories
- Experienced chemists and packaging specialists
- Blend technical knowledge with creativity to develop reliable solutions

Sustainable Innovation

- Use eco-friendly materials and processes
- Reduce environmental impact in production
- Align with global sustainability goals

Why Choose Us?

01

Decades of Expertise

With over 30 years in chemical packaging, we bring unmatched industry knowledge, precision, and proven best practices to every project

02

Diverse Product Capabilities

From Pet Care and Household Cleaning to Industrial, Car Care, Body Care, and Aerosol Spray Packaging, we cater to a wide variety of market needs under one roof.

03

Commitment to Quality & Innovation

We combine strict quality control with innovative packaging solutions to ensure products meet the highest standards for performance, safety, and appeal.

Precision

Quality

Reliability

Aerosol Maker Sdn Bhd is committed to delivering products that meet the most demanding quality standards. From carefully selecting top-grade raw materials to completing the final packaging, our experienced team closely manages every stage of the process to ensure all requirements are fulfilled.

We apply thorough quality checks at every step, ensuring our packaging consistently reaches exceptional standards. This reflects our belief that our clients should always receive nothing less than the best.

Meet Our Team

Scott Heng

Founder & Marketing Director

With 20 years of experience, Scott provides strategic direction and drives the company's growth. His key responsibilities include:

- Developing and executing marketing and branding strategies.
- Identifying new markets and business opportunities.
- Building and maintaining strong client and partner relationships.
- Leading the sales and business development team to achieve targets.
- Guiding the company's overall vision, mission, and long-term growth plans.

A portrait of Scott Heng, a man with short dark hair and glasses, wearing a grey blazer over a white shirt. He is standing with his arms crossed against a large orange circular background.
