

HAND PROTECTION

CUT RESISTANT

SAFETY INXS®

ST58113E

FLEXIBILITY AND COMFORT TO PROTECT FOREARM FROM SCALD HAZARDS

+ CHARACTERISTICS

- Made of high-tech para-aramid fiber, comfortable and firmly grasped
- Excellent shear resistance and dexterity, para-aramid fiber structure reduces weight while providing extremely high shear resistance
- Sleeves with thumb bend to protect wrist
- Cleanable

+ APP INDUSTRIES

Automobile assembly , Metal manufacturing , Stamping , Glass handling , Application of heat resistance

TECHNOLOGY DATA

Liner Gauge	Coating Area	Anti-skid Effert
10G	-	-
Liner Material	Cuff Style	Size
Hybrid Armorgard™ Akore fiber	Velcro	360mm / 450mm
Coating Material	Colour	Package
-	Yellow	1 pair/bag, 60 pairs/carton
