

13-Inch Crystal Jade

Introducing the Crystal Jade mattress, a force of firmness designed for those who seek robust support combined with the cooling comfort of innovative technology. Standing tall at 33cm, the Crystal Jade combines the sturdiness of a pocket spring mattress with the luxurious touch of a euro-topper. Its design emphasizes firm support, making it an ideal choice for individuals who prefer a solid sleep surface.

What sets the Crystal Jade apart is its cooling fabric, ensuring you stay cool and comfortable throughout the night. Say goodbye to restless nights caused by overheating.

SPECIFICATION

1. Luxurious Cool Silk Fabric
2. Comfort Support Layer
3. High Density Foam
4. Coconut Fibre
5. 7 Zone Pocket Spring
6. Base Support Layer

SMART COOL SERIES

革新的冰凉触感技术

Honey®凉爽玉纤维Smart Cool 床褥系列采用高科技研磨技术,将玉石研磨成纳米细微结构,织入纤维之中,具有凉感降温功能。玉石纤维如丝般顺滑,如棉般柔软,如麻般凉爽;让用户有更好的睡眠体验。

Cooling Effect / 凉感降温

玉石纤维面料,与皮肤接触时产生瞬降5度的凉爽感。

Jade is a new generation of cooling fiber with a natural cooling effect. Special thermal structure of natural jade and the characteristics of high moisture content make it produce cool feeling when closing to skin.

Natural Minerals / 天然矿物

运用纳米技术,使玉石和其他矿物质材料达到纳米级粒径,然后熔入纺丝熔体之中,经纺丝加工而制成的功能性纤维。

Made by recycled jade shavings, nano technology has allowed this to be woven into yarn that is cool to the touch. As jade is a natural substance used in jewelry for centuries, it has no adverse affect on skin.

SMARTCOOL

Have you ever gone to bed on a hot summer's evening, feeling all sweaty, and found that your mattress really doesn't help to cool you down? Honey® Smart Cool Series is engineered for staying cool, dry, and comfortable. Our Cool Silk fabric has been infused with jade nano-particles to create a natural cooling effect. The ultra-wicking construction combined with our Cool Silk infused yarn decreases your skin surface temperature up to 5°C - keeping you comfortable, dry, smooth like silk and cool.
