## Did you know?

Fiber cement boards may look just like wood, but they are actually quite different!

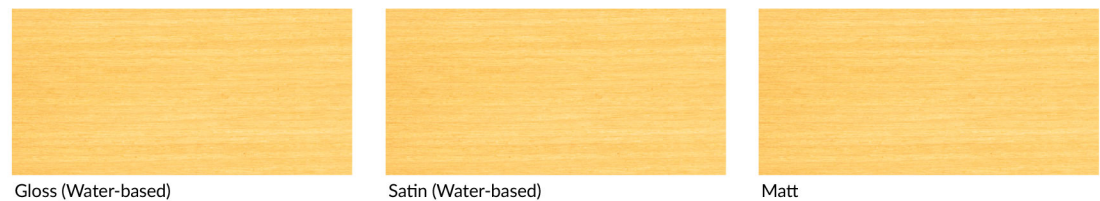

Made from a blend of fiber and cement, they offer the look of wood with the strength of concrete. They are resistant to termites and rot, making them ideal for exterior use.

"To achieve the best finish, be sure to use FIBERCOTE, specially formulated for fiber cement surfaces."

# Secrets to a Beautiful Home, Expert Care for Wood & Metal!

Follow our step-by-step coating system to achieve smooth, long-lasting finishes. The perfect way to protect wood & metal surfaces and create your most beautiful home.

## for Metal Finish

**Surface preparation:**  
Remove fungus and dirt using Nippon Paint Abrasive Waterproof Sandpaper #320 to ensure the surface is smooth and clean.

**Primer application:**  
Apply 1 coat of Zinc Phosphate Primer to ensure protection and allow it to dry for 24 hours before applying undercoat.

**Undercoat application:**  
Apply 1 coat of 9000 Speed Undercoat to get flawless finish of topcoats.

**Topcoat application:**  
Apply 2 coats of Odourlite or Hydro Finish as the final topcoat.

## for Wood Finish

### SOLID COATING:

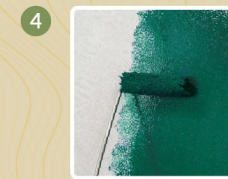

**Surface preparation:**  
Remove fungus and dirt using Nippon Paint Abrasive Waterproof Sandpaper #320

**Primer application:**  
Apply 1 coat of 9000 Aluminium Wood Primer to ensure protection.

**Undercoat application:**  
Apply 1 coat of 9000 Speed Undercoat to get flawless finish of topcoats.

**Topcoat application:**  
Apply 2 coats of Odourlite or Hydro Finish as the final topcoat.

### PIGMENTED VARNISH:

**Surface preparation:**  
Remove fungus and dirt using Nippon Paint Abrasive Waterproof Sandpaper #320 to ensure the surface is smooth and clean.

**Fill cracks & nail holes:**  
Fill the wood grain with filler if needed to achieve smooth and even surface.

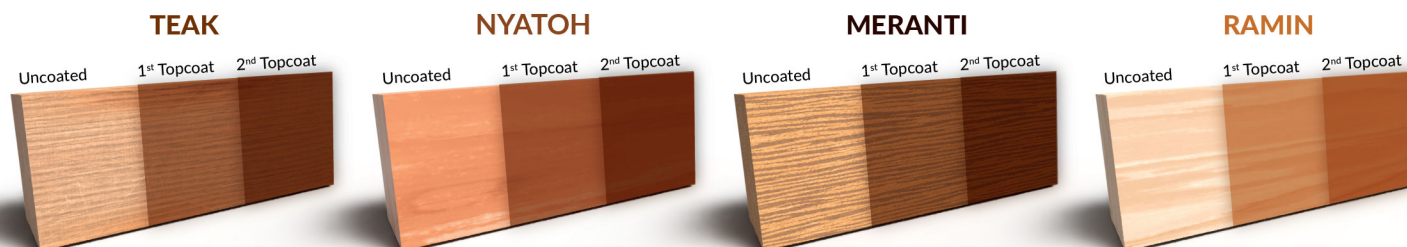

**Remove Excess:**  
Lightly sand the wood to ensure a smooth finish before applying the topcoat.

**Topcoat application:**  
Apply 2 coats of Hydro Wood or Timber Finish as the final topcoat.

## Different wood types coated

From raw to rich, discover the transformative beauty of our wood finish on various wood types.

All colours shown are as close to the actual Nippon Paint colours as modern printing techniques permit. Depending on your choice of finishing, the visual appearance of each colour may vary. Colours shown are based on two coats of topcoat.
