

# Pure Performance - Attractive Design

KX-DT543

Executive Digital Proprietary Telephone

## KEY FEATURES

- 3-line Graphical LCD with backlighting
- 24 freely programmable function keys
- EHS (Electronic Hook Switch)
- Speaker Phone, handset and headset with full duplex
- Available in black and white colour

Executive digital proprietary telephone, with 3 line back-lit display, 24 programmable keys and full duplex speakerphone.

Pure performance - Attractive design: Panasonic offers a wide line-up of Digital terminals with an ergonomic design for all use.

The KX-DT500 Series Digital Proprietary telephones take you to a new dimension in audio experience through excellent Voice quality audio on every phone, combined with easy access to powerful supportive features and applications. The sleek, ultra-modern design, available in both black and white colour options, works well with any office decor.

Packed with a host of features, the KX-DT543 Digital Proprietary telephone could not be simpler to use. The phone has a large alphanumeric display, programmable keys, EHS port providing wireless headset support, easy navigation key.

### LCD Display

Large, clear LCD display with intuitive User Interface offer fast access to phonebooks and features.

### Electric Hook Switch

A built in Electronic Hook Switch (Plantronics compliant) port allows the KX-DT543 Digital Terminal to have access to the Plantronics range of DECT enabled headsets. This offers a range of portability and comfort as frequent users are able to move around freely, without being tied down by handsets.
