

L & V series

Bluguard L9 & V9

L9 Series is a streamlining platform for intelligent security system, permitting all around 24/7 protection to your family. It embedded the tone feedback, call in/out functions, and home automation control under single coherent system.

V9 Series is enhanced with state of art voice feedback to ensure you and your loved one in total comfort and safety. With V series, there is no more confusing beeps, buzzes, and multiple tones to remember. The innovative voice notification will report on the status of each zone.
